The backbone of every school is its administration. Greensburg Salem administrators through the years have been noted not only for their desire to improve standing conditions but for their wish to explore in the world of education. As they perform their myriad of duties, our administrators first insure harmony in the system through constant consultation with parents, teachers, and members of the school board. This coordination has given Greensburg Salem Senior High School an academic standing of which we can all be proud. On behalf of the student body, the yearbook staff wishes to thank the administration for a job well done.

CLASSES

1965 Seniors

The Class of 1965 reached the long awaited day—graduation. In achieving this goal, we struggled through a semester of the morning session of the split-schedule in our sophomore year, the expectation of our newly designed class rings in our junior year, and finally our senior year.

We excelled in many fields. From our class, two National Merit finalists and seven persons with Letters of Commendation emerged. Our senior football team had a ratio of nine victories to one defeat.

Those three years were filled with many new experiences. Some of them were gratifying while others were frustrating. Whatever the outcome, they proved to be vivid, memorable experiences.

SENIOR CLASS OFFICERS

Mr. Slezak—Sponsor, Dave Washabau—Vice President, Kathy Perrone—Secretary, Bob Abraham—President, Joyce Petrosky—Treasurer (absent).

Juniors

Entering the junior year brought with it many new activities. We were able to choose the course of study we wished to follow. We took college board examinations for the first time and began planning for our future.

In the fall and winter seasons, many of our athletes attained varsity positions on our various teams. March ushered in the busiest season of the year. We sold tickets for the Royer Prom Fantasy, adding money to our Prom fund. Sponsoring the Prom for the seniors was our biggest event. April also brought the arrival of our long-awaited class rings.

Graduation day for the seniors held a special significance for the juniors, too, for we then realized that the next time we entered the halls of G.S.H.S. we would be seniors.

Sophomores

When the sophomores, numbering 524, entered G.S.H.S., they found the usual problems of adjustment to a new building and schedule. However, they soon adapted to the pace and became active members and leaders of many clubs.

During basketball season, under the sponsorship of Mr. Thompson, they fattened their treasury by selling refreshments at the home games. Later in March, they presented a talent assembly which pleased the rest of the student body with their amount of showmanship. The year was closed with the Spring Dance, an event strictly for sophomores.

Through achievements, scholastic and social, the sophomore class has paved a successful road toward the ultimate goal of graduates of 1967.

Brown and White

The **Brown and White** is as much a tradition at G.S.H.S. as the issuing of diplomas. Like earning a diploma, this 1965 yearbook took a lot of work.

Each eighth period in room 305, the staff members could be found diligently planning the write-ups, scheduling senior portraits and informal and group pictures, the senior scrapbook, the athletic section, division pages, typing, the subscription campaign, and choosing the cover.

The answer sits before you now as the finished product of our effort. With the guidance of our two sponsors, Miss Custer and Mrs. Connor, we completed a book of which we are proud. We hope that you will share that pride with us as you look over the pages that recall your year at Greensburg Salem.

Music Department

With our snappy drum major, Dick Smith, to lead the band and nine majorettes, 96 band members marched and counter-marched under the watchful eye of band director, Mr. Grubb. As usual, the band had its busy fall season with a football game every week. Eager to help make these games as peppy as possible, the band, after diligent rehearsals during the summer and every day, presented color to the gay festivities at the field. On March 11 and 12, Carol Butz, Patti French, Diane Evans, Frances Bono, Lynn Shuster, Joe Lastik, Byron Waugaman, Gary Elder, Paul Jennings, Virgil Walters, Richard Hayden, Greg Reynolds, Patty Kelm, and Gary Bullock represented Greensburg at the Westmoreland County Band Festival in Jeannette. In addition, our band was honored at being selected as one of the few high school bands to participate in the Baldwin Marching Festival. The highlight of the season was the band's all-new Pop Concert.

Hosting the 1964 Westmoreland County Choral Festival was an honor bestowed on the Greensburg Salem High School this year. Being the host school, Greensburg was well represented with: Chris Beavers, Elaine Bell, Sharon Ernst, Barbara Kaufman, Rosemary Kitch, Betty Miller, Nancy Davison, Nikki Morelli, Jane Speal, Cindy Myers, Sumiko Ogawa, Pennie Shephard, Elinor Walters, Lois Luchansky, Judy Mensch, Sharon McCune, Roberta Wisneski, Joel Nitz, Steve Baker, Paul Beiterman, Dave Gerard, Leslie Hantz, Eugene Forish, Dave Ghrist, Bill Miller, and Tom Ghrist. The well-known Clair T. McElfresh was the guest conductor for the 23 schools participating. The choir, under the direction of Mrs. Hutchinson, also presented the music for the Thanksgiving, Armistice Day, Christmas, and Choral assemblies, the Spring Sing, Baccalaureate, and Commencement. The choir was privileged to be part of the 1964 season prize winning album "American Youth Performs." This album has become a very popular classical record.

King football attracted much attention to Greensburg during the 1964 campaign as the Golden Lions rose to the pigskin heights once again with a team that finished one victory away from an undefeated crown and the foothills championship. The final tally showed nine fine "AA" victories against one loss—Hempfield.

This year's G.S.H.S. football team will be remembered as one of the finest ever to play at Offut Field. During the season, the team employed an overpowering ground attack led by Don Rinchuse with 420 yards and an outstanding aerial effort by junior, Dave Bair, completing 45 passes for 784 yards. Honors were also collected by Bob Abraham and Jerry Noviello who were ranked top guards on the All-County "AA" team. As a result of our outstanding record, the Lions were ranked tenth in the state.

Throughout the long season, every member of the team gave his efforts to make the Golden Lion's season of 1964 a success. Pride and happiness filled our halls as our boys downed nine out of ten opposing teams. Our hats go off to the team with its 29 lettermen and to our 21 senior gridders who wrote a memorable page in our football history.

Basketball

Quickly the weeks between football and basketball seasons sped by. Our season looked promising, for we had quite a few returning lettermen.

We found our halls covered with pep signs urging the boys on to victories. Closely we watched our boys throughout the season. They didn't disappoint us.

Coach Sibley was behind the team pushing all the way. The pep talks, combined with the skill our players had acquired through the weeks of hard work, brought us a fine record of 10 victories and 4 losses in league games.

Our boys fought hard and well deserved claiming victories over Hempfield 40-36, Southmoreland 63-61, and Latrobe 58-41.

Senior lettermen who gave us our favorable season were: Jay Katz, Jerry Brown, and Dave Gerard. Our only junior was Kenny Jones. Outstanding sophomores were: Jack Kenney and Ray Greene.

Wrestling

Under the coaching of Mr. Weber and Mr. Salathe, the 1965 wrestling team roared on to victory.

Our wrestlers were co-champs of the County Tournaments with Bob Abraham, Clyde Jones, and Phil Detore winning in their respective weight classes. Bob Harris, Sam Kucenic, and Vince Piscar were runners up.

We were second in the Section II Tournaments with 27 points. Winning in this section were Bob Harris, Phil Detore, Clyde Jones, and Bob Abraham. We have one W.P.I.A.L. champion, Phil Detore at 120.

Phil Detore went on to win the state title for the 120 lb. weight class of 1965. Phil has been the only state winner since 1951. Our school is very proud of Phil.

Bob Abraham at 165 has had four very successful years. He was County champion for three years and Section champion for three years.

The golf team, coached by Mr. Shuster, began a successful season by defeating the Spartan golfers 12-4 in an exhibition match. The Lions officially opened the season by winning three consecutive matches, defeating Scottdale 16-0, Derry 8½-7½, and Latrobe 9-7. Upsets with Ligonier 9½-6½ and Connellsville 12-4, the Lions made a comeback by scoring sweeping victories over Scottdale 14½-1½ and Derry 14½-1½. In the second match with Latrobe, the Lions were defeated by a score of 14½-1½. G.S.H.S. brought the season to a smashing finish by defeating Ligonier 12½-2½ and Connellsville 13½-2½. Closing the season with seven wins and only three league losses, the Lions placed second in the section.

Richard Danks and Bill Colbert represented G.S.H.S. at the W.P.I.A.L. individuals, which were held at Oakmont Country Club. Rich Danks shot an 89 and Bill Colbert shot a 91. They did not qualify for the second round.

Returning lettermen for the 1965 season are: Richard Danks, Gary Faye, Dave DeNezza, Bill Colbert, and Ed Doran.

Track

This was the first year for head track coach Ron Silvis and his assistant, Jim Taylor. Due to a wet, cold spring, no inter-class meet was held and the Lions were edged out of their first meet with Derry by a score of 82-45.

During the McKeesport meet, our leading sprinter was disqualified, and the last event, the javelin, decided the meet in McKeesport's favor 69-58.

In the following meet, the Lions romped to their first victory of the season by downing Central Catholic 71⅔-53⅓.

The cindermen again met defeat against Hempfield 72-55, Latrobe 89½-37½, and Wilkinsburg 73½-53½.

Greensburg took a third place in a new meet scheduled this year, the W.P.I.A.L. qualifier and a fourth in the County meet.

In the County meet, junior Jack Smith took a gold medal and a new school record by running the 440 in the time of 52.1. Nick Damico, another junior, won two gold medals, one for the discus and the other in the 880 yard relay, while sophomore John Markulin took a gold medal in the high jump. Larry Maloy, Ken Jones and Joe Davis made up the other ¾ of the 880 relay to win gold medals and a school plaque.

Coach Silvis is well pleased with the performance of many of his men. Next year he looks forward to a dry warm spring and a winning season.

Baseball

The 1964 baseball team had their hopes set on "going all the way" and they played outstanding ball. The squad, coached by Mr. Donald Schwing, had an impressive record of seven wins to three losses. The Lions trimmed their opponents in the first four games before bowing to Mt. Pleasant. Playing the circuit again, they dropped their second consecutive game, losing to Penn Joint. Then followed a three game winning streak. The team finished off the season on a dismal note dropping their finale to Mt. Pleasant. The Section 10 Championship was theirs, but a playoff was lost to Shannock Valley, 2-4.

The leading hitters of the season were Mike Poulich, Don Rinchuse, John Mullen, and Dan Speal.

The team will welcome back the following lettermen: John Felice, John Mullen, Rick Neumann, Dan Rinchuse, Don Rinchuse, Dan Speal, Dave Bair, and Mike Poulich.

Last year's tennis team had a rather successful season, finishing second in the section. The G.S.H.S. netmen, under Coach Dean Mullen, ended the season with a record of five wins and six losses.

Returning lettermen are: Robert Snyder and Dale Gray. Other members of the team who will be returning are: Greg Long, Greg Reynolds, Rusty Barclay, and Mark Cravotta. With these experienced players to lead the way, we can look forward to a successful season in W.P.I.A.L. competition this year.

1964 SOIREE — "Beyond the Reef"

Senior Scrapbook

In a dimly lighted room, "Leo" and Mr. Slezak sit knee to knee with fingertips lightly on the predictor of the ouija board. Mr. Slezak, sponsor of our class of 1965, is looking ahead once more into the glittering future of his 470 seniors, the same as he did in the beginning when we came before the break of dawn as timid sophomores. We came in the early fall of 1962 on foot, on bus, and even behind the steering wheel to the "old grey school on the hill" where the doors opened wide to receive us. We students, anxious to prove our ability, were to succeed and become the graduating class of 1965. Ours was a good beginning.

A-D-J-U-S-T spelled the ouija board. We had to get used to a 7:15 morning bell, x period, milk breaks, and 12:15 dismissals. Around October, ouija caught a cold; and it seemed many others did, too. In one assembly, everyone coughed up a storm. Assemblies were banned! After a few months, we were almost adjusted when the fingertip touch of "Leo" and Mr. Slezak said we would move to our new high school. Our shopping bags were filled with books, notebooks, bathing suits, and boots as we left the hallowed halls of the old grey school. We marched down Main Street displaying our shiny orange stickers to tell everyone "we are moving." After a long Christmas vacation, we entered a new G.S.-H.S. "Again," said ouija, "adjust." There were no snacks midway through the morning, no afternoon naps, but there were stairways that only went up one floor; and now we arrived after the break of dawn. During the basketball season, we took charge of selling "goodies" at the games to build up our treasury.

"Ouija foretells our future." Seniors of the yearbook staff: B. DiPrimio, M. Lawrence, J. Eisaman, M. Cable, B. Holtzer, C. Davis, M. Nicely, S. Seanor, S. Curley, and Miss Custer, Mrs. Connor—Advisors.

The summer of 1963 breezed by and too soon we were back to school. The class of 1965 now moved one year closer to the stage in the auditorium.

During sixth period on November 22, Mr. Breon announced the assassination of our youthful and vigorous President John F. Kennedy. The nation mourned.

This was the year much discussion went on about class rings. They were changed from the traditional onyx to a stone, the color of your choice.

Do you remember that Saturday morning we took college boards? Ouija

SENIOR TALENT ASSEMBLY

Village Square Act

Senior section at the Pep Assembly

says "Yes . . . he does!" We also turned out two semi-finalists for National Merit Scholarship Test—Susan Detar and Linda Tredennich.

Planning for the Soiree started about January. The theme, "Beyond the Reef" was chosen. Fish, seaweed, mermaids, rocks, and treasure chests were gathered from all corners of Greensburg. At the post prom party at Mt. View Inn, we sleepily watched our fellow classmates get hypnotized. It was a wonderful evening!

To the May Queen Court, we elected representatives of our class. Charlene Rhorbacher and Puddie Straka were personal attendants to the queen, Jeanne Bryan. Joyce Petrosky, Mary White, Bob Abraham and Jerry Brown were junior representatives.

The year ended with the footprints of the class of 1964 imprinted at Offut Field. We were soon to follow these footsteps.

"Seniors are excused," said Dave Washabau, our S.G.A. president; and we realized we were on top of the totem pole. We elected our senior officers—President Bob Abraham, Vice President Dave Washabau, Secretary Kathy Perrone, and Treasurer Joyce Petrosky. The halls filled with pep signs showing our school spirit and our loyal backing to our terrific football team. Not even a smashed Lion could lower our spirit as we proudly finished the season with nine wins to only one loss. In the last few months of 1964, we saw the annual selection of L'il Abner and Daisy Mae at our last Sadie Hawkins dance. Anxiously, we opened our Cover Studio shopping bags to see our senior portraits.

The style of long hair for boys was "in;" but according to higher authority, it was "out"—and so were you if you didn't go by the set rules.

Our senior talent assembly displayed our talent in such acts as the "Telephone

Hour," "Village Square," and heard such outstanding singers as Joel Nitz and the Baker twins. After the finale, the curtain closed on our last talent assembly.

New Year's Eve was spent at the all night party in the cafeteria. There was mass excitement at 12 midnight when everyone blew their horns and broke every balloon in sight.

Those who showed dramatic ability starred in the senior class play, "My Sister Eileen." Its success lasted two nights.

Too soon we were dancing our last dance at the Soiree. We had proven we were seniors and we began to remember all we saw in our years at G.S.H.S. We saw class demonstrations and meetings, blackboards and assemblies, friends and teachers. We saw the humorous and the serious, things we liked, and things we . . . . . well, mostly things we liked.

The May Queen Coronation was a main highlight after the Soiree. Class Day bloomed with yellow and white to represent our class color. We had fun on that day of laughter and enjoyment set aside for us—the SENIORS. The laughter faded away at baccalaureate where you realized soon these would all be memories. At last, with our white cap as our dome and our white gown almost to the ground, we listened to "Pomp and Circumstance." Now we realized we had conquered. We conquered in our favorite activities, in the field of athletics, and sometimes in studies. Throughout our high school years, the victories came by the score—and finally—our finest conquest—graduation. The ouija arrow pointed to June 2 where it sees us, the class of 1965, reach eagerly with one hand for our diplomas and take one step forward through the open door of the future. Yes, our three high school years are now behind us. They were colorful and memorable. From a good beginning, cometh a good ending.
